The March PAS meeting will be held at the **WEST FLORIDA PUBLIC LIBRARY** downtown Pensacola **March 11, Tuesday** at 7 PM.

The lab work is complete, the data are in the database and analyses are being done after last year’s field schools. Based on this information and information from previous years, plans are underway for the UWF 2014 field schools. Depending on enrollment, there may be as many as 4-5 field school sections this summer. Possibilities include returning to Molino’s Mission Escambe, Arcadia Mill Archaeological site, UWF campus sites, many underwater sites and also a biological anthropology section. Those responsible for the field schools will report on their findings from 2013 and 2012 and give us a glimpse into the plans for 2014.

Join us and bring a friend.

PAS is planning a trip to Mobile to visit the Museum at the University of South Alabama March 22. Everyone is invited to join us for this great trip. We will carpool and take time for lunch on the Mobile Causeway on the way over.

We will leave the Archaeology Institute on the UWF campus at 10 am. We will eat lunch on the Mobile Causeway at Felix’s about 11 am. (1530 Battleship Pkwy, Spanish Fort, AL 36527). We plan to arrive at the museum about 1 pm if you prefer to meet us there. The museum closes at 4, but we may finish with the tour before that time. We expect to be back at UWF around 5 pm.

The exhibits show all aspects of history of the area and are GREAT! Don’t miss this trip!

Sign up at the March meeting or contact Barbara Wright at 850-439-9090 or baw13@bellsouth.net

MARCH IS FLORIDA ARCHAEOLOGY MONTH

As usual, there are many activities planned for FAM. Please see the FPAN website for their list of lectures and other activities. Not all activities are here in Pensacola, but many are close enough for a day trip and well worth the time spent.

Pick up your Florida Archaeology Month posters at the March meeting. There are two different posters featuring 2 of the famous springs in South Florida where Paleoindian artifacts have been found: Little Salt Spring and Warm Mineral Springs. The back has info about several Paleoindian sites and examples of artifacts that have been found at those sites.

The nominating committee of Dr. Elizabeth Benchley (chair), Jan Lloyd & Harv Dickey will present officer and board member recommendations for the coming year at the March membership meeting. Nominations may also be made from the floor at that meeting. The election of officers and board members will take place at the beginning of the April bar-b-q meeting and the new president will preside for the dinner. If you are interested in helping steer the planning and activities of PAS, please contact one of the committee members before next Tuesday, March 11. ART CALUSA EXHIBIT

Last November the Art Calusa Exhibit opened in Ft. Myers. This exhibit was sponsored by a number of groups including the Florida Anthropological Society (PAS is a chapter of FAS). The exhibit honors the Calusa Indians and is designated a Viva Florida 500 exhibit.

The Calusa were Native Americans who occupied southern Florida when the Europeans arrived. They had a well-developed civilization including unique art.

A number of artists who had experience depicting Native Americans and Florida History were invited to produce works on paper, etched glass and paintings. The purpose of the exhibit is to visually interpret the life and experiences of Florida’s native peoples with a focus on the Calusa.

The Indian Temple Mound Museum in Fort Walton Beach is seeking to acquire this exhibit which is now a traveling exhibit. This summer they hope to exhibit the art of famous artists such as Lucas Century, Merald Clark, Charles Dauray, Christopher Kreider, David Meo, Theodore Morris, Dean Quigley, Hermann Trappman and Jackson Walker.

Copies of the catalog will be available for purchase. This catalog describes the individual items, information about the artist and what inspired him to produce the piece. A copy of this catalog is available for examination at the Archaeology Institute at UWF.
