SUMMER PLANS FOR PAS MEMBERS

Everyone enjoyed the annual bar-b-q and we had a great turnout of members and guests.

For the first field trip of the off season for membership meetings, eleven PAS members attended the tour of Ft. Pickens and lunch at Pegleg Pete's. It was a good day!

Your Board of Directors is planning some other summer activities including a **field trip to the Arcadia Mill Archaeological Site** during late June or early July to see the UWF field school excavations. You will get an email about the exact date or call 474-2087 to check on the date. The visit must be coordinated with excavation activities so setting a date now is not possible. Remember that **every Friday in June** there will be a **lab** experience available to PAS members and the public at **Arcadia Mill**. The hours will be 10 am to 2 pm and you will get a chance to rough sort materials recovered

from excavations there. Join us and get your hands dirty. You can also tour the excavations during these times if there are units open.

If you can think of other places you would like to visit, please tell one of the board members or officers and we will be happy to research the possibilities. The summer offers the perfect time to make a number of visits to nearby sites, museums and excavations.

June 6 is the **ANNUAL OPEN HOUSE IN THE HISTORIC DISTRICT IN DOWNTOWN PENSACOLA**. PAS members are needed to be at the PAS table to talk to the public about our activities and help to explain the archaeological remains that are present in the historic district. Activities are open from 10 am to 4 pm. There are 2 shifts for working at the PAS table and lunch is provided. If you are available for a shift, contact Barbara Wright (baw13@bellsouth.net). We hope to see you at some of the planned activities. Have a great summer! For current updates, visit the PAS website.
