SPECIAL EVENT: FIELD TRIP TO ARCADIA MILL ARCHAEOLOGICAL SITE

Join other PAS members on **July 14** for a **field trip to the Arcadia Mill Archaeological Site** to see the UWF field school excavations and tour the site. We will meet at Arcadia at 9:30 am. Please wear long pants and closed-toe shoes. Bring water, sunscreen and a hat—be prepared for sun and insects. We plan to finish by noon and eat lunch at a restaurant on the way back home. In case of rain or threatening weather, call 474-2015 or 474-2087 or more information.

Remember that **every Friday in June plus July 10 and 17** there will be a **lab** experience available to PAS members and the public at **Arcadia Mill**. The hours will be 10 am to 2 pm and you will get a chance to rough sort materials recovered on site from the area around the Simpson House. Join us on a Friday, work in the lab and tour the site if you cannot make it on July 14, or in addition to July 14.

Arcadia Mill Archaeological Site is located near Milton. UWF has been investigating the mill sites, remains of residences and other features on the property since the 1980s. The site is administered by the UWF Historic Trust under the site direction of Adrienne Sams. Adrienne is also the principle investigator for the current excavations. See their website for more history, information and directions. Also follow the excavations at <http://arcadiamillvillage.blogspot.com/>

For current updates about other PAS activities, visit the PAS website.

LAST DUES REMINDER FOR 2015

At the end of the summer, those of you who have not renewed for 2015 will be dropped from the email/ mailing lists. Take a minute to do this now. Send your check to the po box on this newsletter to continue. We cannot do it without YOU! Dues: \$6 student, \$15 individual, \$20 family, \$200 life.
