COMING EVENTS 4

On April 9 PAS members will celebrate another year with a Bar-B-Q and very interesting program. We have quite a number of folks who made reservations by the deadline of April 3.

Sarah Miller, Northeast Region FPAN archaeologist, will present this year's program about 16th Century St. Augustine. Walking the streets of St. Augustine can confuse anyone in search of the 16th century remains, but 500-year-old sites are

there—often just beneath their feet. This presentation synthesizes work done by archaeologists over the past century and focuses on small objects that bring ordinary people from the 16th century to life—the best way to get a glimpse of St. Augustine's earliest days.

The Bab-B-Q will be held at the Argo Athletic Club at UWF at 6 PM. Election of officers will precede the feast and lecture.

PAS MEMBERS ONLY EVENT MAY 18

Each May PAS sponsors a MEMBERS ONLY event. This year we invite you to attend a special Governor's Garden program in the Historic District. The planned construction of a new Kitchen House in the District was the reason for the excavations last summer in the area that was previously the Governor's Garden during the 1700s.

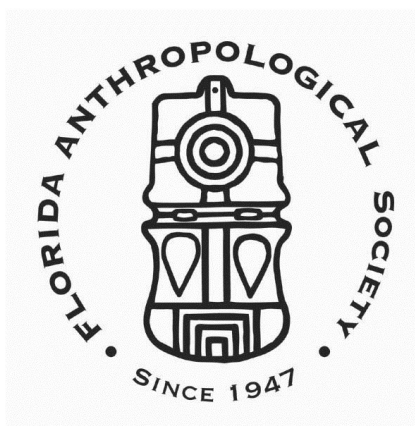

PAS members and UWF archaeologists Dr. Elizabeth

Benchley and Margo Stringfield will present a program about the site and others beginning at 2 pm at the FPAN Center. This will be followed by a walking tour of the area. Finally, from 4-4:45 the group will be treated to a special presentation at the new Kitchen House about cooking and other activities that took place in these exterior kitchens.

More details will follow in the May newsletter.

The 2013 Annual Meeting will be hosted by the St. Augustine chapter of FAS and the dates are May 10-12, 2013. The location of the 2013 meeting is former Ponce de Leon Hotel, now Flagler College.

A summary of the Annual Meeting activities was presented in the December PAS newsletter. The St. Augustine chapter of FAS has done a great job planning the activities before and after the paper presentations. Tours of St. Augustine with Dr. Kathleen Deagan and Carl Halbird on Fri., May 10 will be a must do. The reception that evening will be held at the Fountain

of Youth Park, location of more than 50 years of archaeological excavations.

Flagler College will be the site for paper presentations on Sat., May 11.

Dr. Deagan will be keynote speaker at the banquet held at the Ponce de Leon Dining Room at Flagler College that evening.

On Sunday, May 12, field trips available will include a tour of the St. Augustine Lighthouse.

Further details about the events and a registration form are available in the JANUARY FAS NEWSLETTER and online at www.fasweb.org NOW.
